## Suspension from All Soccer Activity

Suspensions from WSEU, WYSA or the MSA will be from “all soccer activity”. While under this suspension a person is not allowed to:

- Play for any CSA/MSA sanctioned game or tournament only at the discretion of the disciplinary committee
- Sign with/for any CSA/ MSA registered club
- Act in any capacity as an executive or official with any CSA/MSA registered club or association.
- Communicate with any player or official with the purpose to coach or advise during any sanctioned game.
- Officiate as a referee or assistant referee in any CSA/MSA sanctioned game or tournament.
- Players may attend any soccer game as a spectator but are not allowed to be within fifty(50) meters of a registered clubs team bench outdoors. For indoor facilities the person must remain in the spectator area, and may not enter the field area or team bench area at any time.
- Team officials may not attend games as a spectator. This is defined as keeping away from sight or sound of a match involving the team or teams they are registered with.
- If a person, while under suspension, violates any of the above conditions or brings the game into disrepute, or causes the game to be disrupted by their presence or actions they will be subject to further sanctioning.
