WSEU COMMITMENT POLICY FOR PREMIER POOL PLAYERS

It is expected that Premier Pool players make every effort to attend **all training sessions and games.**

If coaches are having a commitment problem with a player, they will follow the procedures listed below:

1. Coaches or team managers will be instructed to take attendance, at both practices and games and will submit these reports, monthly, to the Club Head Coach for review.
2. If absence is found to be ongoing, and unsubstantiated, a recommendation from either the CHC or Team Coach can then be presented to the Disciplinary Committee, and a decision on whether to take action against a player may be made.
3. Players found to be continually absent may be subject to, but not limited to, reduction in game time, or suspension.

Any decision of the Discipline Committee can be made, as per our Appeals Procedures.
