

RYAN CONNOR

WSEU Goal Keeper Academy Trainer

Ryan is a pure product of WSEU! He played his entire youth career with our Club and brings a wealth of experience as a goal keeper (player and coach) to WSEU Goal Keeper Academy.

Ryan not only played at the Provincial level, but has also been training keepers with the Provincial Program for the past four years!

Ryan participated in the Canada Summer Games, played with various teams at the premiere men's level, and embraces a coaching career to enable him to give back not only to his Club, but to our young athletes!

Ryan continues to coach one of WSEU's teams and will take the lead role in the WSEU Goal Keeper Academy. WSEU is proud to have Ryan as part of our Academy family!
